A wide range of batts, supports, columns, beams, chimneys, tubes and burner cones, rollers, suspended roof and customized shapes for kiln furniture is manufactured according to customers requirements.

Una vasta gamma di piastre, supporti, colonne, barre, camini, tubi e coni bruciatori, rulli, sagomati volta e blocchi carro personalizzati, fabbricati secondo le esigenze dei clienti.

Une large gamme de plaque, de supports, de colonnes, de barres, de cheminées, de tubes et de cônes brûleurs, de rouleaux, formats de voûte suspendu et de formes personnalisées pour les wagon four est fabriqué selon les exigences du client.

The informations provided in this leaflet are based on the results of routine production tests, and as such is subject to slight variation and therefore should not be used as a specification. The figures are correct at the time of publishing (Jan 2017). Variations to standard products may cause deviations from the figures in this catalogue (Jan 2017).

I dati forniti in questo catalogo si basano sui risultati di test di produzione di routine, e come tale è soggetto a lieve variazione e, pertanto, non devono essere utilizzati come specifica. I dati corrispondono al momento della pubblicazione (Gennaio 2017). Le variazioni dei prodotti standard possono causare scostamenti rispetto ai dati in questo catalogo (Gennaio 2017).

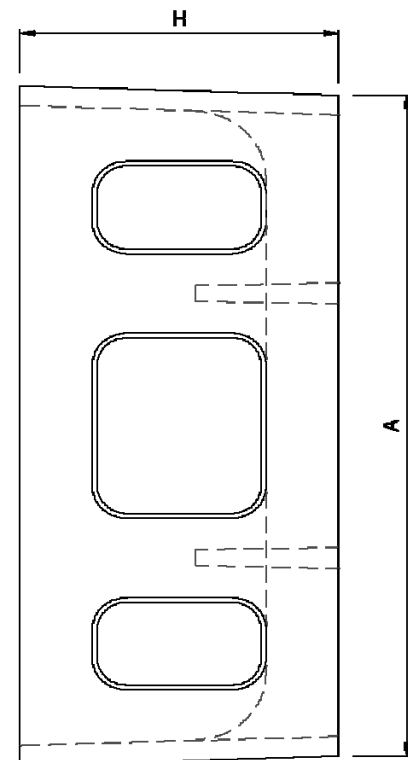

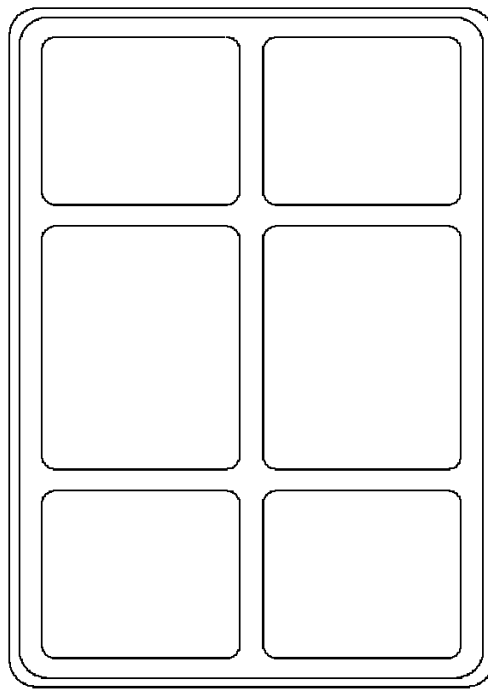

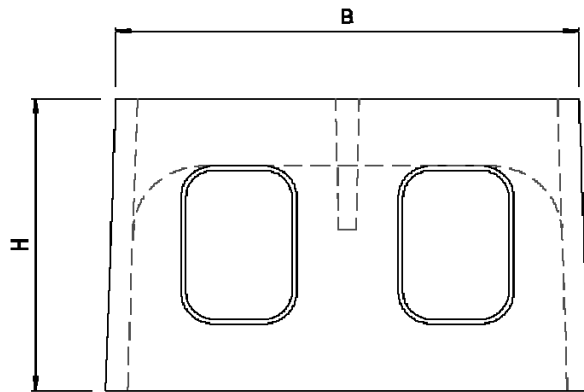

Les données fournies dans ce catalogue sont basées sur les résultats des tests de production de routine, et en tant que telle est soumise à une légère variation et, par conséquent, ne doivent pas être utilisés comme spécification. Les données correspondent à la date de publication (Janvier 2017). Les variations des produits standard peuvent entraîner des écarts entre les données dans ce catalogue (Janvier 2017).
