***Second to none in customer service***  
***Quality without compromise***

**Manufacturer of special refractories and insulating materials**

**Linco range based on alumina products**

LICOFEST	Refractory / insulating castables
LINAX	Service castables
LICO-CLAY	Plastic mouldables
LICOTON	Ramming mixes & mortars
LICODRY	Free cement castables
LICOBLOCK	Special shapes and blocks
LICOTAP	Tap-hole clay
MILBLOCK	Precast shapes
LB-FILL / LB-STICK	Mastics / adhesives

**Baxo range based on alumina products**

BAXOCAST	Refractory / insulating castables
BAXOPLAST	Plastic casting mixes
BAXOVIBRO	Thixotropic castables LCC-ULC-FCC
BAXOGUN	Castables for gunning applications
BAXOFIX / BAXOMIX	Service castables
BAXOPOL	Ready mortars
BAXOCOAT	Refractory coatings

**Sirma range based on alumina products**

SIRCAST	Regular dense castables
SIRBRATE	Low cement castables
SIRCHEM	Free cement castables
SIRFLOW	Self flowing castables
PROMOCAST / SIRGUN	Medium cement castables
PROMOGUN	Gunning castables
PROGUN	Low cement gunning mixes
SIRPLAST	Plastic mouldables
SIRCOL	Wet mortars
SIRQUICK	Fast service castables

**Kero range based on alumina and basic products**

COLLIGAN	Ready mortars
KEROCAST	Refractory castables
KEROVIB	Thixotropic castables LCC-ULC-FCC
KEROMIX	Service castables
KEROGUN	Gunning mixes
KEROPATCH	Patching mixes
KERORAM	Ramming mixes
KEROFLOW	Self flowing mixes
KEROLAN	Refractory dry mixes
KEROCRETE	Shotcrete mixes
KEROTAP	Tap-hole clay

**Second to none in customer service**

**Quality without compromise**

***Linco Baxo Industrie refrattari S.p.a. Bondeno Plant range based on shaped products***

MAREF	+ production code	Fireclay and high-alumina bricks and shapes
ISOM /ALPOR	+ production code	Lightweight bricks and shapes
KERA	+ production code	Specialties for ceramic and brick industries
MAREF	+ production code	Specialties for glass industries
SIRMA	95AT and 99AT	High Alumina bricks for severe operations
CARBO	+ production code	Silicon carbide bricks and shapes

***Linco Baxo Precision refractories range based on specialties for glass and ceramic***

REF-AL	Refractories based on alumina
REF-MUL	Refractories based on mullite
REF-COR	Refractories based on corundum
REF-ZIRCON	Refractories based on zircon
KERSKID	Blocks for reheat furnaces hearth

**All products catalogues are downloadable at [www.lincobaxo.com](http://www.lincobaxo.com)**

***Number of experience years as supplier***

Domestically from 1949

Internationally from 1974

***Second to none in customer service***  
***Quality without compromise***

***Organisation chart of the company structure***

<b>CEO / Managing Director</b>	Dr. Maurizio Nicolardi
<b>Associate Director</b>	Bas de Kok
<b>Associate Director</b>	Dr. Edoardo Manzoni
<b>Domestic Sale Director</b>	Mario Bricco
<b>Technical Manager (reheat)</b>	Ing. Paolo Recalcati
<b>Technical Superintendent</b>	Marco Boccafogli
<b>Export BU Director</b>	Alessandra Nicolardi
<b>Export Technical Manager</b>	Alberto Osnaghi
<b>Export Manager</b>	Khalil Ourahmoun
<b>Glass BU Director</b>	Oswaldo Baldelli
<b>Glass Export Manager</b>	Cristina Gambino
<b>Accountancy Department Director</b>	Alma Villanova
<b>Procurement Manager</b>	Younes Ourahmoun
<b>Plant Manager Levate</b>	Dr. Stephane Ngongang Ngakam
<b>Plant Manager Bondeno</b>	Ing. Alberto Pisa
<b>Plant Manager Zerbinato</b>	Brahim Ourahmoun
<b>Workers (within the whole group)</b>	> 200

***Second to none in customer service***  
***Quality without compromise***

### **Information about key personnel who will be handling the contract**

<b>Dr. Maurizio Nicolardi</b>	Present position: Language ability relevant to project: Experience:	Managing Director Italian - English - French In refractory and insulating materials since 1970
<b>Dr. Edoardo Manzoni</b>	Present position: Language ability relevant to project:	Associate Director Italian - English - French
<b>Dr. Stephane Ngongang Ngakam</b>	Present position: Language ability relevant to project:	Plant Manager (Levate) Italian - English - French
<b>Ing. Alberto Pisa</b>	Present position: Language ability relevant to project:	Plant Manager (Maref) Italian - English
<b>Brahim Ourahmoun</b>	Present position: Language ability relevant to project:	Plant Manager (Precision) Italian – French - Arabic
<b>Alessandra Nicolardi</b>	Present position: Language ability relevant to project:	Export BU Director Italian – English – French
<b>Alberto Osnaghi</b>	Present position: Language ability relevant to project:	Export Technical Manager Italian – English – French
<b>Khalil Ourahmoun</b>	Present position: Language ability relevant to project:	Export Manager Italian – English – French – Spanish - Arabic
<b>Ferdinando Fusca</b>	Present position: Language ability relevant to project:	Sales Manager Italian – English - Russian
<b>Dr. Marco Gavioli</b>	Present position: Language ability relevant to project:	Sales Manager (Maref range of products) Italian – English
<b>Oswaldo Baldelli</b>	Present position: Language ability relevant to project:	BU Director (Glass) Italian
<b>Cristina Gambino</b>	Present position: Language ability relevant to project:	Export Manager (Glass) Italian – English – French - Spanish
<b>Mario Bricco</b>	Present position: Language ability relevant to project:	Domestic sales Director Italian – French
<b>Ing. Paolo Recalcati</b>	Present position: Language ability relevant to project:	Technical Manager (reheat) Italian – English
<b>Marco Boccafogli</b>	Present position: Language ability relevant to project:	Technical Superintendent Italian – English
<b>Luciana Borghi</b>	Present position: Language ability relevant to project:	Senior Manager (Ceramic) Italian – French
<b>Marinella Nanni</b>	Present position: Language ability relevant to project:	Quality Manager Italian – English
<b>Marco Brambilla</b>	Present position: Language ability relevant to project:	Laboratory superintendent Italian – English

***Information about Linco Baxo Industrie Refrattari S.p.a. castables operations  
Linco Baxo Range of products***

<b>Description</b>	<b>Plant of unshaped &amp; monolithic refractories</b>
<b>Location</b>	<b>Levate (Bergamo/Italy)</b>
<b>Capacity</b>	80.000 Ton. / year
<b>Annual production</b>	60.000 Ton. / year
<b>Equipment</b>	<ul style="list-style-type: none"><li>• Two modern units to manufacture unshaped refractories.</li><li>• Complete state-of-the-art central laboratory with all in-house capabilities (400 sqm)</li><li>• One modern unit to manufacture tap-hole clay</li></ul>

***Information about Linco Baxo Industrie Refrattari S.p.a. processing operations  
Linco Baxo Range of products***

<b>Description</b>	<b>Processing plant of raw materials</b>
<b>Location</b>	<b>Arcene (Bergamo/Italy)</b>
<b>Storage Capacity</b>	20.000 Ton.
<b>Processed raw materials</b>	40.000 Ton. / year
<b>Equipment</b>	<b>One modern unit to store and process alumina based raw materials.</b>

***Information about Linco Baxo Industrie Refrattari S.p.a. shapes operations  
Maref Range of products***

<b>Description</b>	<b>Plant of shaped refractories and insulating materials</b>
<b>Location</b>	<b>Bondeno/v.Borgatti (Ferrara/Italy)</b>
<b>Capacity</b>	40.000 Ton. / year
<b>Annual production</b>	30.000 Ton. / year
<b>Equipment</b>	<ul style="list-style-type: none"><li>• Three tunnel Kilns and many modern pressing machines (more than 10) to manufacture dry-pressed refractories.</li><li>• One unit to manufacture extruded IFB</li><li>• One unit to manufacture extruded dense refractories and mullite grog</li><li>• One unit to manufacture unshaped refractories</li><li>• Two units to manufacture vibrocast shapes</li><li>• One unit to manufacture mouldables</li><li>• One unit to manufacture wet-mortars</li><li>• In house machinery facilities to cut, grind and match tolerances to fine limits.</li><li>• Pre-assembly platform (800 sqm) with a bridge crane</li><li>• Workshop equipped with automatic machinery to produce metallic anchors</li></ul>

***Second to none in customer service***

***Quality without compromise***

**Information about Linco Baxo Industrie Refrattari S.p.a. specialties operations  
Precision / Tec Ref Range of products**

<b>Description</b>	<b>Plant of vibro-casting and slip-casting refractories</b>
<b>Location</b>	<b>Bondeno/v.Zerbinate (Ferrara-Italy)</b>
<b>Equipment</b>	<ul style="list-style-type: none"> <li>• Two modern units to manufacture high-precision refractories for glass, ceramic and steel.</li> <li>• Six high temperature Kilns</li> <li>• In house machinery facilities to cut, grind and match tolerances to fine limits.</li> <li>• Pre-assembly platform (500 sqm) with 2 bridge cranes</li> </ul>

**Distributors and Agents**

<b>Europe</b>	Austria, Belgium, Bulgaria, Baltic countries, Czech Republic, France, Germany, Greece, Hungary, Macedonia, Poland, Romania, Russia, Serbia, Slovacchia, The Netherlands, UK,
<b>Middle East</b>	Emirates, Jordan, Kuwait, Saudi Arabia, Siria, Turkey
<b>Far East</b>	Korea, Pakistan, Singapore, Vietnam.
<b>Africa</b>	Algeria, Cameroon, Egypt, Lybia, Morocco, Tunisia.
<b>Latin America</b>	Argentina, Brasil, Colombia, Mexico, Venezuela.

**Linco Baxo group annual turnover of the last three years in Euro**

<b>YEAR</b>	<b>VOLUME-HOME</b>	<b>VOLUME-EXPORT</b>	<b>TOTAL TURNOVER</b>
2022	13.374.000	28.634.000	42.008.000
2023	16.748.000	24.723.000	41.471.000
2024	15.502.000	23.645.000	39.147.000
